Fine Leather awakens the senses. It looks good, it smells good, it feels good.

Wildgoose fine Leathergoods are aniline finished with translucent dyes to accent the natural markings in both our smooth or tumbled leather. Art images, if desired, are permanently branded into the leather. Seams are sewn with nylon thread and edges are hand finished. The result is a lasting possession that improves with age.

Wildgoose Luggage features hot knife cut, coated 1000 denier Cordura nylon (the strongest, lightest industrial fabric made) nylon webbing, compression straps, welded stainless steel D rings, YKK zippers, closed cell foam padding, 2 to 5 rows of nylon stitching and superior functional design.
